

Request for Proposal Number: _____

Date: _____

Due Date: _____

DUPERON DUAL AUGER SYSTEM

Customer: _____
 Project City/State: _____
 Contact: _____
 Quote To: _____
 Engineer: _____
 Rep: _____

Customer Concerns/ Problems to Solve: _____

Site Constraints: _____

Project Requirements:

Number of units: _____
 Application (well/manhole/channel): _____
 Flow (Pumped/Gravity): _____
 Average Flow: _____
 Maximum Flow: _____
 Discharge (below or on deck): _____
 Bagger: _____
 Freeze protection? _____
 Voltage/Phase required: _____

Site Data:

A) Well Width/Diameter: _____
 B) Well Height/ Channel Depth: _____
 C) Max. Water Level: _____
 D) Min Water Level: _____
 E) Deck Thickness: _____
 F) Depth to inlet Invert: _____
 G) Container Height: _____
 H) Ceiling Height: _____
 J) Inlet Pipe Diameter: _____
 K) Manhole/access hatch dimensions _____
